Theme:

"Information Technology and its Application Towards the Implementation of Green Technology"

CITACEE 2013 is an annual conference organized by Computer Engineering Department, Diponegoro University. The conference aims to provide a forum for researchers, academicians, professionals, and industries to expose and exchange innovative ideas, methods, and experience in information technology, computer engineering, as well as in electrical engineering, and their applications, related with the aspects of green technology. Papers on all aspects of these research areas, from fundamental and applied to novel experimental techniques and innovative applications are welcome. All accepted papers will be published in the Proceedings with ISSN 2338-5154. The conference topics include, but are not limited to:

- **Information Technology:** Software Engineering, Data Mining, Multimedia Technology, Mobile Computing, Parallel Computing, Artificial Intelligence, Visualization and Computer Graphic, Computer Vision, Augmented/Virtual Reality.
- **Information Systems:** Conceptual models of informatibon systems, Data warehousing, Data Mining for Business Intelligence, Database Management, Information systems governance
- **Power Systems:** Power Generation, Power Distribution, Power Conversion, Protection Systems, Electric Motor and Drives, Power Electronics.
- **Signal Systems and Circuits:** Digital Signal Processing Algorithm, Biomedical Engineering, Control Systems, Robot and Mobile Robot, Speech & Audio Processing, Image Processing, Embedded System, Microelectronics,
- **Biomedical Engineering:** Biomedical Image Processing, Biomedical Instrumentation
- **Communication Systems:** Network Protocol and Management, Meta Material, Telecommunication System, Wireless and Mobile Communication. Sensor Networks and Sensor Fusion
- **Other Related Fields:** Hard Disk Drive Technologies, Intelligent Systems, Green Applications in Smart Cities, Context-aware Applications for Smart Buildings, Intelligent Technology for Transportation Systems, Applications in Healthcare, Environment Protection, Vehicle, etc.

Important Dates

- Full paper submission deadline : **August, 26th 2013**
 Acceptance notification : **September, 20th 2013**
 Camera ready paper submission : **October, 4th 2013**
 Early bird registration start : **August, 26th 2013**
 Early bird registration end : **September, 20th 2013**
 All registration deadline : **October, 4th 2013**
 CITACEE 2013 conference date : **November, 16th 2013**

Submission Guidelines

Authors are invited to submit full paper. Information about submitting your paper can be found in <http://siskom.undip.ac.id/citacee/> for detail information on this conference.
